

# Political Assessment Rating Map

The political security and risk rating map provides an assessment of the political conditions within a territory and its impact on businesses and foreign travelers. The map incorporates an analysis of challenges to government authority and its perceived legitimacy, and the prevalence of corruption and presence of sanctions. It also provides an assessment of the level of judicial independence and measures the consistency of application of legal decisions.

## POLITICAL ASSESSMENT RATING BREAKDOWN

### EXTREME

The country is effectively a failed state. Institutions are unable to provide basic services, and there is total breakdown of law and order.

### HIGH

State institutions are unreliable and ineffective throughout most of the country, and can only provide basic services in its capital and/or major urban centers.

### MODERATE

State institutions are fairly competent but face challenges that affect their ability to provide basic services in parts of the country.

### LOW

State institutions are mostly competent and effective, and provide reliable services across most of the country.

### MINIMAL

State institutions are well-established and functioning, and are respected internationally.

## Global Risk Forecast | 2023

About Crisis24, a GardaWorld company

Crisis24, a GardaWorld company, draws on 55 years of field experience to provide actionable risk management solutions to organizations around the world seeking to stay ahead of emerging risks. Our in-country intelligence analysts, highly specialized operational experts and proprietary technology platform enable us to deliver fully integrated end-to-end risk management solutions that help our clients protect their people, organization, assets, and cyberspace. Whether at home or abroad, organizations can grow their operations anywhere in the world with Crisis24 as a trusted advisor and partner of choice.
