- Leading CPI products
- Award winning claims team

### AIG Casualty Differentiators

#### Claims

Our award-winning Liability claims team: with outstanding technical expertise, highly responsive throughout the claims process delivering client services to help minimise the impact of a claim on their business.

#### Liability Risk Consulting

Our Risk Consulting Services help clients prevent losses and reduce their cost of risk. Policyholders receive access to our eLearning Health & Safety training system and tailored support from our liability risk and fleet risk management team.

#### Enhanced Liability Services

Some included "as standard" such as PR costs to help protect clients' reputations after a loss. Others are optional such as our cyber liability module covering: defence costs and DPA fines from a regulatory investigation, and liabilities after a breach of confidential information.

#### Multinational Liability

With multinational expertise in our Nordic liability team and decades of experience in providing fully compliant global liability programmes for clients through our worldwide network, multinational is an exceptional area of growth opportunity.

\* Risk capacity: guide only - every case written on its merits

American International Group, Inc. (AIG) is a leading global insurance organization. Building on 100 years of experience, today AIG member companies provide a wide range of property casualty insurance, life insurance, retirement products, and other financial services to customers in more than 80 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange.
