

Financial Lines – Crisis Solutions

The AIG Advantage

Product Offerings

- AIG offers a range of Crisis Solutions products, including kidnap-for-ransom insurance with security resilience tailored to SMEs. This is available as a possible module/endorsement to other insurance products or as a stand-alone offering.
- Our Crisis Complete solution is a broad product, with more than 50 covered perils dedicated to CAP and MAP accounts. This includes Crisis Management support, along with defined extra-expense coverage for seven areas of concern, including but not limited to criminal risks, informational risks, political risks, war, and natural disaster.
- Alongside these products, we have several additional layers of insurance that can be provided as endorsements or stand-alone coverage. These include:
 - Active Assailant
 - Product Loss
 - Stalking
 - Business Interruption
 - Hostage Crisis
 - Tiger Kidnapping
 - Maritime Piracy

Local Expertise & Global Reach

- Our insurance products are supported by best-in-class vendors that provide:
- Immediate 24/7 access to expert security consultants to guide stakeholders through the optimal response to a crisis, from prevention and mitigation to crisis management and crisis recovery.
 - Deployment of response consultant(s) to the location of an incident where necessary.
 - Liaison with emergency services, incident investigation and incident impact assessment.
 - Assistance in establishing a Crisis Management team.
 - Post-incident trauma support.
 - Deployment of response teams from strategic locations worldwide for timely intervention, regardless of operational environment or crisis complexity.
 - Asset capacity in-country in permissive and non-permissive environments.
 - Consultancy to help our clients understand their risk exposure and manage that risk through preventative measures.

AIG Multinational

- We have decades of experience in providing fully compliant multinational programs for clients through our global network.
- The integrated “One AIG” Multinational Team includes over 500 experienced Underwriting, Legal, Operations and Claims experts.
- Dedicated Multinational Client Executives for assigned clients enable consistent execution of tailored solutions, keeping clients protected across borders with local coverage in over 215 territories.
- We have decades of experience providing Multinational captive fronting solutions, with more than USD 500 million in premiums flowing to AIG client captives in EMEA each year.
- Bespoke tools and insights provide clients and risk managers with pre-bind compliance considerations, territorial analysis, and timelines, as well as real-time access to portfolio summary, policy and premium status, and claims information post-bind.

AIG Claims Expertise

- AIG has one of the largest international teams of Financial Lines claims professionals the industry has to offer. We can guide our clients through the most complex and unpredictable legal environments and international exposures.
- Many of our Crisis Solutions claims can be very complex, sensitive, and traumatic — but no matter the situation, we’ll have seen it before and know the best processes to follow and best steps to take.
- This level of support by our Claims Team and crisis response consultants will be invaluable in a time of need.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
